EXPORTS release of April 19, 1974

The EXPORTS report of April 19 showed a sharp decline in outstanding sales and a sharp increase in cumulative exports for Soybean Cake and Meal. During data review prior to release of these data, several reporting exporters were contacted by telephone and their reports pertaining to Soybean Cake and Meal were verified. The data were published as reported following verification that the reports were correct as submitted. After further contact, a firm revealed on April 23 that errors had been made in its report for the week ending April 7. This revision will provide corrected data.
